SUPPLEMENTAL FILING FOR PETITION
TO CORRECT INVENTORSHIP

Dear Sir:

Pursuant to 37 C.F.R. § 1.48(a), on February 3, 2003 Applicants requested the addition of
an inventor to the present patent application. It has come to our attention that the Declaration
and Power of Attorney submitted at that time was missing the signature of Grant Peterson, one of
the inventors. We have now secured this signature and wish to have this complete document
entered into the file of the present patent application, and considered in relation to the Petition
filed on February 3, 2003.

Respectfully submitted,

Dated: July 7, 2003
